Date: 13<sup>th</sup> August, 2020

Circular No: GRJPS/2020-21/031

**Dear Parents  
Greetings!**

We hope you and your loved ones are in good health during this global crisis caused by COVID-19. Over past about five months, all of us have been struggling against unprecedented circumstances in both health and education fields. We, Gitarattan Jindal Public School, however, have been trying our best, despite struggling on many fronts, to impart education to the students through online classes to keep them updates in the studies and credit for this goes to our committed and dedicated teachers and support staff who have been working under such hard and adverse conditions and fortunately, we have received positive and constructive support and appreciation from most of the parents and students in our such endeavors.

Now, we are already in unlock-3 with effect from 01.08.2020 after completion of three lockdowns which remained in vogue for a period of more than two months till 31.05.2020 when unlock 1.0 was started with effect from 01.06.2020 followed by unlock-2 commended with effect from 01.07.2020. Most of the businesses, offices, industries, markets and other activities including free movement of the citizens have started save as some rare restrictions.

Therefore, this is right time to draw your attentions to the Order No. F. No. PS/DE/2020/55 dated 18.04.2020 issued by the Directorate of Education; Government of NCT of Delhi whereby the onetime collection of annual or quarterly fee was restricted in view of the Covid-19 and only monthly tuition fee was allowed to be collected by the Schools during the period of lockdown. At the same time, it was specifically mentioned in the

said order dated 18.04.2020 that annual and development charges can be charged from the parents, on *pro-rata* basis, after completion of lockdown period.

In view of the aforesaid order, only monthly tuition fee was being charged from the parents and now, since lockdown period has already been completed and unlock has started from 1<sup>st</sup> June, 2020 and thus, the school is entitled to receive the annual and development charges, on *pro-rata* basis, and on monthly basis in terms of the aforesaid order dated 18.04.2020 from the date of completion of lockdown period.

All are, therefore, requested to deposit the monthly tuition fee together with monthly amount of annual and development charges, on *pro-rata* basis, from July, 2020 onwards. The same will be updated on student's portal shortly.

Further, arrears of tuition fee, if any, may also be deposited forthwith without any further delay.

Regards

D Anupama  
(Head of the school)
