

GITARATTAN JINDAL PUBLIC SCHOOL

Rohini, Delhi-85

CLASS - IX

Date: 20th September, 2018

Circular No: GRJPS/2018-19/016

Dear Parent

Greetings!

VISIT TO NATIONAL SCIENCE CENTRE

“A drop of water is worth more than a sack of gold to a thirsty man”

True conservation provides for wise use by the general public .There are a number of ways to save water and they all start within ourselves. We, at school believe that conservation of natural resources is the most important domestic issue which has generated the essential need of effective and proper utilisation of fresh water ,clean air and all other recreationalassets.

To promote and motivate students for the cause the school is organising a visit to National Science Centre, Pragati Maidan, New Delhi on 29th September 2018 for students of class IX as an integral part of ISA activity .The students are required to carry water bottle, lunch box and I-card with them.

We expect whole hearted participation and cooperation from you for the cause.

Regards

Head of the School

Ms. D.Anupama
